For twelve years we have been working toward graduation. Now, we are seniors, and as we are counting the days, we look back and remember what has happened while we were here. All of us have had good times to remember, but all the time we have also been learning. One of the main things we were taught was that there is a time for all things. Dedication

With the realization that we are still very young in heart and experience; with the knowledge that with their counsel there is yet peace and love, and a deeper, calmer faith for us to seek: We gratefully dedicate this, the 1968 Skyline, to our Mothers and Fathers. Thanks for the opportunity of Graduation.

Principal's Message

Mr. Bruce Midkiff, Principal

I compliment the class of 1968 on the splendid yearbook you have produced. This yearbook is both an appropriate record and a proper memorial to the graduating class.

May your experience, training and pleasures while at Meadows of Dan School prove worthwhile to you in future life, and as you take your place in society, may success and happiness be yours while living a full, successful life.

Best Wishes
